

**CHAPTER 1**

**CHAPTER TITLE**

1.1 **Section**

1.1.1 **Subsection**

The text size should be 12 in times new roman. Figures should be centre justified with proper figure number. Equations should be numbered and should be typed using equation editor option of the Microsoft word. Finally, all the tables should be numbered and table description should be done above the table.

(Examples for image, table and equations given below)

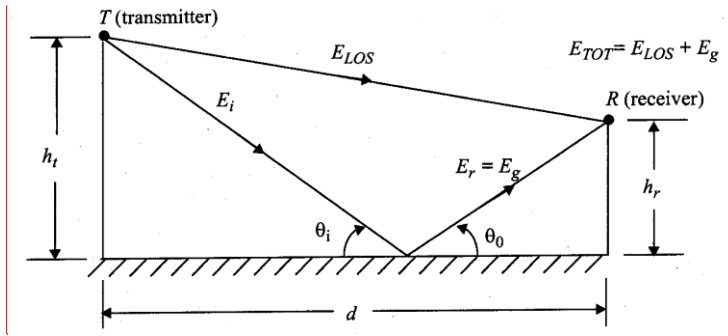

Figure 1.1: Two Ray Model

Table 1.1: Table Description

XYZ	X	Y	Z	S
1				
2				
3				
4				

$$S_{\delta}(f) = F[S_{\delta}(t)] = f_s \sum_{n=-\infty}^{+\infty} \delta(f - nf_s) \tag{1.1}$$

Comment [NU1]: Header & footer: font size 10

Comment [NU2]: Font Size 16

Comment [NU3]: Font Size 18

Comment [NU4]: Font Size 16

Comment [NU5]: Font Size 14

Comment [NU6]: Font Size 12, Justified.

Comment [NU7]: Figure to be Centre Aligned

Comment [NU8]: Font Size 10, Figure number, Table number and equation number should start with chapter number. Follow same format everywhere in the document

Comment [NU9]: Font Size 10

Comment [NU10]: Table should be Centre aligned

Comment [NU11]: Equation Centre Aligned

Comment [NU12]: Equation Number to be at the right side corner
